Peak travel to our venue £1.70.

Oyster card / Contactless payment for zones 1-3 costs is a maximum £40.00 / week.

If this accommodation does not suit your needs, you can try [London Homestays](#) or [The Londonist](#), who are British Council accredited. In the past, we have found they had very limited availability for one and two-week stays and generally offered student residences. Otherwise, you may try websites such as [homestay.com](#), [airbnb](#) and [student.com](#). Prices will vary from £180-£450/week including fees.

Course Outline

Do you feel your English has gone a bit rusty? Feel you don't have enough confidence in your speaking? Well, English Boost Advanced is here for you. Our course includes over 20 teaching hours per week and includes a range of tours and activities to keep you highly engaged and talking. You will also get better at different types of talk including chat, storytelling and short presentations.

The courses are aimed at B2 to C1+ level. We will ask you to do a published online test before you arrive, but the groups may be of a mixed level. In all cases, a lot of the teaching and learning comes from doing conversations and tasks where we teach the language you are trying to say. When we start from material, we use a variety of sources which we select based on the pre-course questionnaire we send you. This means that you are sure to meet a wide range of vocabulary and grammar and discuss all kinds of topics with our blend of intelligent conversation and humour.

Content

We will provide a questionnaire for participants before they arrive to express preferences or make requests which we will try to incorporate into the course, if possible and where there is agreement between participants. This means specific content will vary from course to course. Some topics you might talk about:
